

# AIROCOMP™

## Economy Compressor Oil PREMIUM MINERAL BASED LUBRICANTS

### Applications:

The Economy Compressor Oil is a high performance, multifunctional mineral based compressor and vacuum pump lubricants designed for use by those that need a step up in performance. These may be considered environmentally friendly since they are zinc free. These premium hydro treated oils are designed to give improved performance over the ordinary hydraulic or compressor oils. These have a service life of 2,000 – 3,000 hours under good operating conditions in rotary screw compressors and up to 3,000 hours in reciprocating compressors.

### Typical Industrial Applications:

- Rotary Screw Compressors
- Rotary Vane Compressors
- Centrifugal Compressors
- Reciprocating Compressors
- Vacuum Pumps
- High Pressure Hydraulic Systems
- High Pressure Turbines

### Performance Benefits:

- Excellent rust and oxidation inhibitors
- Zinc free
- Will not foam
- Great demulsibility

TYPICAL PROPERTIES	TEST METHOD	Eco 68
ISO Grade	ASTM D2422	68
Viscosity @ 40°C,cSt	ASTM D445	68.8
Viscosity Index	ASTM D2270	108
Flash Point, °C/°F	ASTM D92	244/471
Pour Point, °C/°F	ASTM D97	-15/+5
Copper Corrosion	ASTM D130	1a
Foaming Sequences I, II, III	ASTM D892	Pass
